**Report on results and details of Students
Satisfaction Survey:**

GDC women Pulwama started student's satisfaction survey during the academic session 2019. Students Satisfaction Survey (SSS) is one of the essential elements of the teaching learning process. This survey includes the questionnaire recommended by NAAC. Apart from Teaching-Learning and Evaluation aspects, the survey has included the institution infrastructural and welfare aspects too.

Analysis of the student's satisfaction survey

Regarding the coverage of syllabus, most of the students are satisfied that the syllabus is covered by the teachers on time. Most of the students are satisfied with the way the examinations conducted and the evaluation done.

Students strongly agree that the efforts put by the institute to improve the quality of teaching and learning process are up to date. The Efforts are made by the institute/ teachers to inculcate life skills and employability skills among students in order to make them compatible with the outside world.

Most of the students are satisfied that the institute has implemented modern and distinctive pedagogical methods in the teaching learning process. Most of the students are satisfied with the infrastructural facilities such as a well-equipped library, ICT enabled classrooms and computer lab with high speed internet facility in the college.

On the-whole, most of the students strongly agree with the statement that the quality of teaching-learning process in the institute is excellent.
